For much of 2020 it felt as if the world were holding its breath. Six months after the first stay at home order, we were all waiting for this global pandemic to end. But then... it didn't.

Before we knew it, the fall semester began, and many of our student brothers were still displaced. None of us knew how fraternity could function while social distancing. What we did know is that our undergraduates would be relying on the Fraternity to provide opportunities and support, and because of your generosity, PIKE delivered!

As you read our 2020 Annual Report, I hope you will be inspired by the hard work, determination, and collaboration exhibited by all PIKE stakeholders - particularly, the donors who invested in the Fraternity at such a crucial time.

It is clear to me that regardless of the challenges faced, Pi Kappa Alpha will continue to serve the needs of our young men. As you know, the crux of PIKE's ideals and mission is to care for one another, be a brother's keeper and serve as a home away from home...which became even more important in the virtual and disrupted environment.

If this year has taught us anything it is that we must safeguard the Fraternity experience and preserve PIKE's future. We must put our purpose, and the values which guide us, under a microscope and relentlessly pursue solutions to the challenges before us.

PIKE shapes men who go on to shape the world. Thank you for caring and investing in the PIKE experience.

Fraternally,

Donor Impact

In March 2020, many of our students went home for what they thought would be an extended spring break. Those two weeks became a month, then two months, and soon we found ourselves faced with an unprecedented global pandemic that sent shock waves through higher education. Many chapter houses closed their doors, campuses shut down, and students became isolated. How could PIKE protect the mental health and social well-being of our young brothers under such conditions? Where will they live? How will they learn? Would isolation affect their development?

Never have we had to reexamine our core purpose and the value we offer to our brothers so closely. As plans were set in motion, we considered not only the unique challenges of 2020 and undoubtedly 2021, but after. With this goal as our guide, we created a host of solutions to implement immediately.

Here are the strategies that you helped deploy to ensure leadership, personal development, and above all brotherhood remained a priority:

Connectivity & Recruitment

- Facilitated virtual operational management visits with each chapter to design strategies for chapter operations in a pandemic environment
- Equipped each chapter with Zoom video conferencing to conduct chapter operations and foster social engagement
- Deployed ChapterBuilder CRM for every chapter to manage virtual and onsite recruitment

Health & Safety

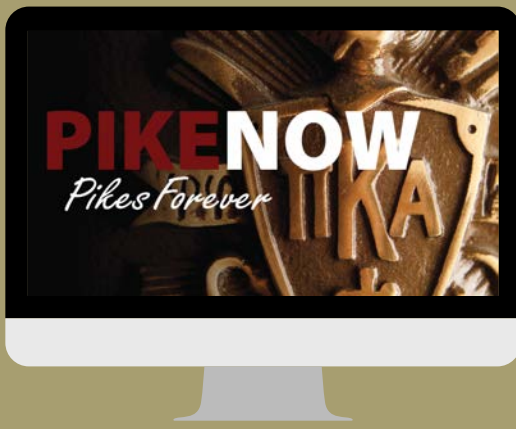

- Connected chapters and house corporations with Pike vendors for acquisition of PPE equipment and supplies
- Made mental health & wellbeing resources available to all members
- Promoted PIKELifeline: 24/7 anonymous, confidential, online resource center and helpline for mental health

Leadership

- Provided online chapter resources for COVID-19 management
- Offered free access to virtual PIKE *University* Leadership Summits
- Connected students with alumni network for mentoring, internship, and job placement opportunities

PIKE Now

With a chapter support plan in place, the Foundation quickly mobilized a national alumni engagement effort, PIKE NOW to support it.

The PIKE Now campaign provided seamless access to directly support a specific chapter. Nearly 1,000 alumni and parents made donations in support of Pike's crisis strategy, and 21 chapters exceeded their \$1,800 goal.

It was clearly donor passion that won the day for PIKE Now. Our alumni donors and friends of the Fraternity knew they were needed now and rallied behind the initiatives to ensure our young men were supported through one of the most challenging times of their lives.

What's Next

You Can Help a Brother

We will always encourage our members to look out for one another - body *and* mind. This training module, crafted by the [JED Foundation](https://www.jedfoundation.org/)^{*}, will assist undergraduate members with identifying and supporting brothers who may be struggling with a mental health challenge. These preventative measures will save lives and help our members to expand how they view *being their brother's keeper*.

Generation Rx

Throughout college, students experience a lot of emotional and mental strain, driving them to seek different methods of unwinding. Unfortunately, many develop unhealthy coping mechanisms, often in the form of prescription drugs, leading to addiction. A partnership with [Generation Rx](https://www.generationrx.org/)^{**} will provide educational curriculum and training resources to help prevent the misuse or abuse of prescription medications.

Alumni Directory

Every decade the Fraternity undergoes a project to collect our member contact information and produce a membership directory; alumni may choose to purchase the directory to keep up with brothers new and old! In 2020, there was the option to include a donation to the Foundation with any purchase and **over 4,000 alumni elected to make a donation for this program, raising \$185,100.**

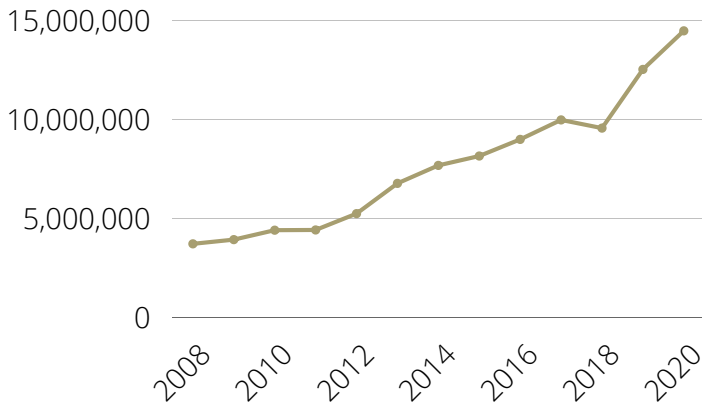

Financials

The Foundation, like many other non-profit organizations and companies, made mid-year economic and budgetary adjustments in response to the pandemic last year. Thanks to financial prudence, and the support from a record number of donors, the Foundation was not only able to raise significant capital, but also deployed it in the form of unique and innovative grants in support of the International Fraternity, its chapters, and student members.

Last year just over \$2.2 million was contributed and \$1.65 million was invested in program services. The Foundation awarded \$349,552 in student scholarships, invested \$296,031 in Fraternity programs, and granted \$508,173 to qualified chapter housing projects.

Endowment Fund Balance

Net assets also increased by 11% over prior year for an ending balance of \$19,895,551.

Fundraising expenses (\$419,862) were lower than the prior two years, primarily due to a reduction of staff travel and events. Benchmarked against total annual support provided, the Foundation yet again kept the cost per dollar raised (\$0.19) well below the industry standard of \leq \$0.35, a milestone achieved for each of the past 10 years.

The Marvin & Nancy Dennis Chapter Executives Conference

Not many men can claim to have lived an extraordinary life. A life that has a lasting impact. A life that has, in many ways, led others to a path of success. Marvin Dennis (Illinois, Beta Eta '56) led such a life, and he has left a legacy to inspire generations to come.

Marvin was born in rural Illinois, the oldest of seven children. He graduated from Byron High School, where he still holds the school record for most points scored in a basketball season. Marvin received his Bachelor of Science degree from the University of Illinois, a law degree from DePaul University and a M.B.A. from Harvard Business School.

Throughout his life, Marvin was a loving husband, father of two daughters, Julie and Laura, and he was an outstanding brother of Pi Kappa Alpha. In fact, Marvin contributed over 55 years of service and dedication to his beloved Fraternity.

Marvin considered PIKE to be an integral part of his success, and spent many years paying it forward through volunteering, mentoring, and above all, offering his leadership. In recognition, Marvin has been bestowed with many of the Fraternity's greatest awards and accolades. Marvin's PIKE legacy will reinforce his good work for generations to come. It started in 1998, with a mission to promote strong leadership and education in fraternal life, the Dennis family contributed the lead gift of \$175,000 to kick off the Chapter Presidents Leadership Conference Gift Challenge Campaign. The campaign would raise nearly half a million dollars, completely endowing the annual conference at the time.

In addition, after Marvin entered Chapter Eternal in April 2019, honoring Marvin and Nancy's wishes, the Dennis family contributed \$585,000 in support of the Fraternity's professional development and leadership programs, including the Chapter Executives Conference (CEC), from the family trust. In total, the family's contributions would allow each chapter's president, treasurer, and recruitment chairman to attend the CEC, *and grow* the program's endowment to over \$1.1 million, cementing the CEC's position as a world-class leadership conference with the funding to match.

We honor Marvin's legacy by continuing the spirit of his good work. We must provide a meaningful, lifelong fraternity experience and ensure that PIKE represents its founding values and the best each of us aspires to be... just as Marvin Dennis did in his lifetime. Thank you, Marvin, Nancy, and family for your fine example and your love for the Pi Kappa Alpha experience.

Meet Our Archivist

Sandra H. Newsom started her journey with Pi Kappa Alpha in 1982. Since then, she has become a pivotal leader and advocate for new and bold ideas. Newsom's roles and titles have changed often in her 38 years with PIKE, but one thing remains constant: she champions constant innovation for the Fraternity that is rooted in tradition and values.

Her influence and forward-thinking attitude have no limits.

She installed the Fraternity's first national computer system, membership database, and is responsible for modernizing many areas of operations.

Today, she is managing an exciting new project that will change the landscape of Pi Kappa Alpha's historical preservation responsibilities.

Newsom has many proud moments when she reflects on her time with PIKE, and she feels this endeavor will have much to offer the brothers of Pi Kappa Alpha for years to come.

To lend my personal expertise and experience to the partnership with HistoryIT is the ultimate achievement of a long, rewarding career with Pi Kappa Alpha.

- Sandra H. Newsom

Innovative Preservation

Pi Kappa Alpha has taken the first steps in an exciting new project that will change the landscape of our historical preservation responsibilities. We are building a centralized digital repository that contains all of PIKE's important archival holdings. This undertaking, fueled a partnership with HistoryIT, professionals in the world of expanding and transforming the way historical collections are viewed, accessed, and utilized. PIKE and HistoryIT are in the first steps of this venture, and everyone involved is passionate about the rich history of Pi Kappa Alpha:

"Over the course of 150 years, Pi Kappa Alpha Fraternity (PIKE) has dedicated itself to advancing the integrity, intellect, and moral character of men. More than 300,000 members have been impacted by this mission to fully realize their own potential and to give back to their communities. In every generation, Pikes have experienced their own triumphs and challenges in applying the Fraternity's principles to the times in which they live. Often, these experiences mirror the broader trends in western history, politics, and popular culture.

PIKE has amassed a collection of valuable archival holdings that collectively constitute the raw materials with which to tell stories from the Fraternity's past. This archive is a unique and powerful resource that the organization has not yet fully utilized."

- HistoryIT Survey Report

This project is vital to the examination and preservation of our core purpose and founding values. It will continue to lend itself to building an even better future for Pi Kappa Alpha and its members as we try to better understand how PIKE can use our strong network, reach, and influence not only to benefit ourselves, but also for a greater good.

Oldest Known Badge

One of the treasured items in the Freeman H. Hart Memorial Museum at Pi Kappa Alpha's International Memorial Headquarters is the oldest known badge belonging to a member of Pi Kappa Alpha, Gamma Chapter (William & Mary) Founding Father Robert Morton Hughes 1871.

A recent discovery within the PIKE Archive sheds new light on this artifact. A review of National Historian Freeman H. Hart's files unveiled original correspondence from the 1930s documenting the authenticity of the badge and its place in history.

In 1936, Hughes "presented the badge to Hart, not as a loan, but with the request that you present it to the Fraternity in my name, with my compliments and cordial fraternal greetings."

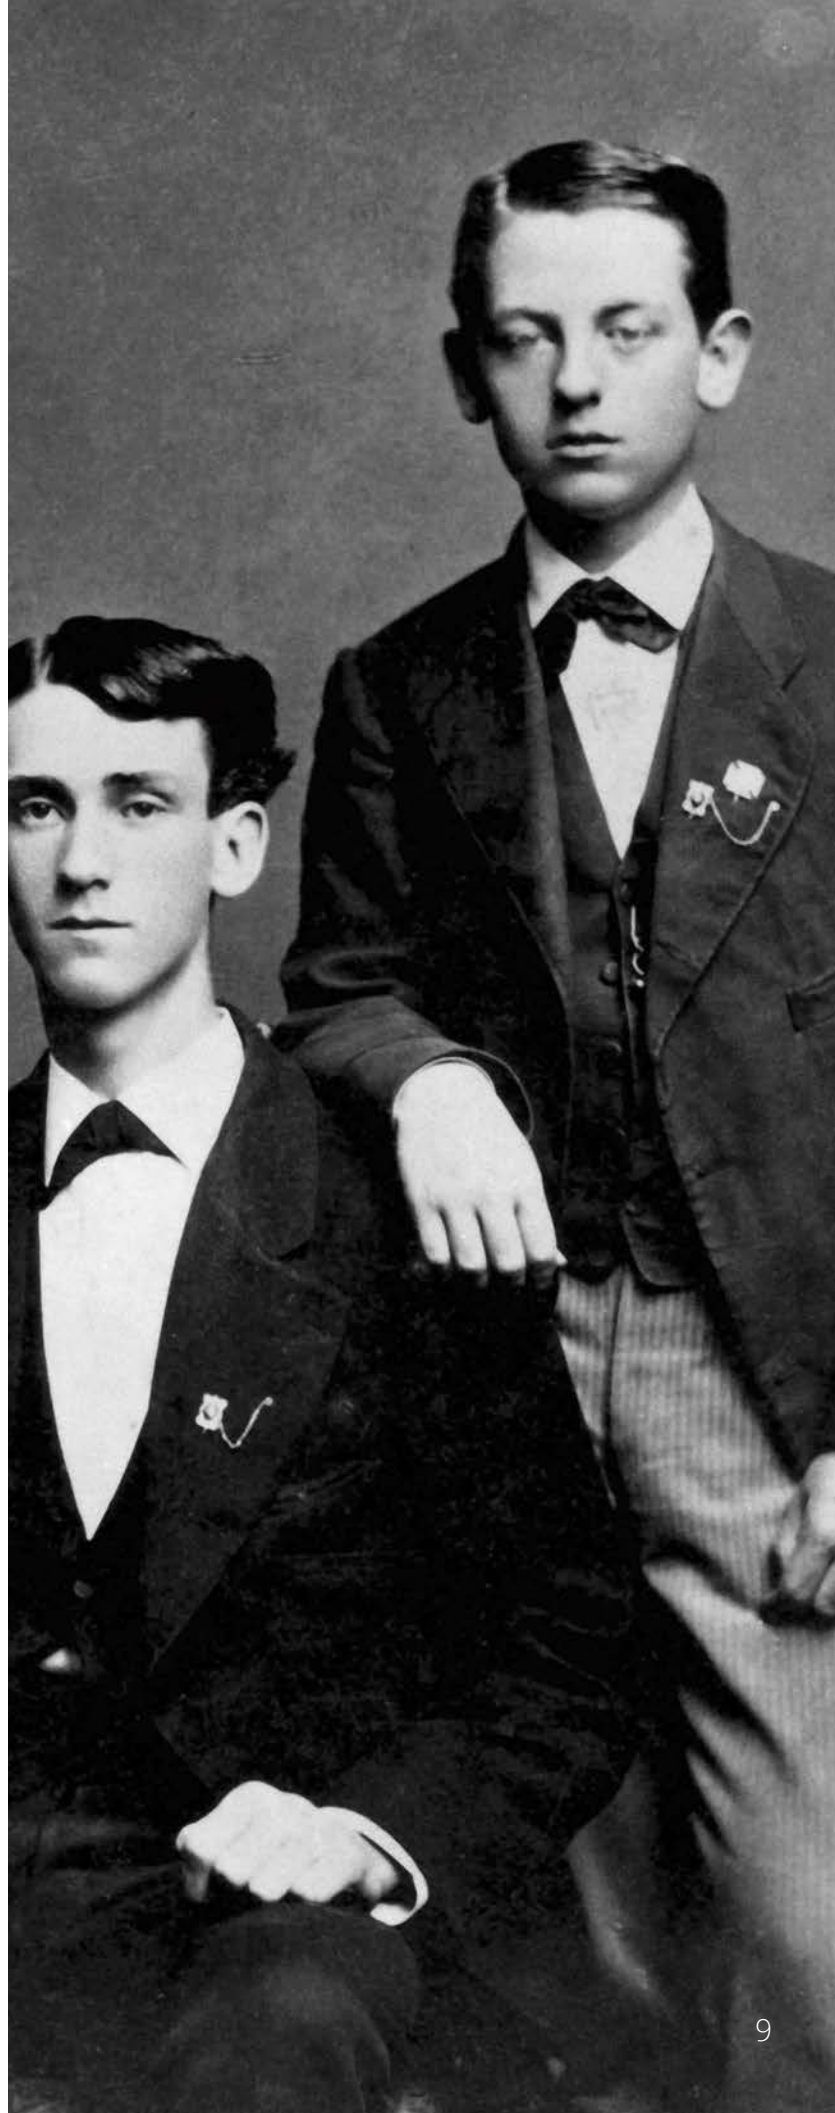

Brother Hughes went on to say: [July 31, 1936]

"It must be one of the oldest badges in existence. I was one of the charter members of Gamma Chapter in February 1871. This was just before one of the public exercises of the college, and we wanted our badges to wear at the celebration.

Some of the Alpha members let us have theirs, so they were not new. Of course, we paid for them, and the Alpha men bought others.

We had a hard struggle in those early days of poverty and small college enrollments, and when I look back to them, the work of our successors seems almost miraculous."

The Pi Kappa Alpha Foundation

GUIDE TO GIVING

Your donation makes all the difference in helping us fulfill Pi Kappa Alpha's sacred duty to our undergraduate members and maintain our presence as the preeminent fraternity in North America.

MATCHING GIFTS

Many companies offer matching gift programs to encourage employees to contribute to charitable organizations.

Most of these programs match contributions dollar for dollar, and some will even double or triple the amount of your gift!

STOCKS, BONDS, AND MUTUAL FUNDS

Gifts of securities that have appreciated in value allow you to avoid capital gains taxes while receiving a tax deduction.

UNIQUE GIVING

There are many ways to give back! Explore Estate and Planned Gifts. Take advantage of IRA RMDs (Required Minimum Distributions). Make purchases through AmazonSmile, and even gift your vehicle.

SCHOLARSHIP FUNDS

Endowed at \$25,000, alumni and friends can create their own scholarship fund or give to one that is already established.

CHAPTER ENDOWMENT FUND

Endowed at \$10,000 to provide your chapter with PIKE *University* tuition scholarships.

ANNUAL FUND

Gifts that support the Fraternity's ever-changing needs and greatest priorities.

THE 1868 CLUB

A giving club designed to recognize those who give a recurring monthly gift of \$18.68 to the Annual Fund.

THE PRESIDENT'S COUNCIL

Premier giving society designed to recognize those who give \$1,000 or more annually to the Annual Fund.

OAK TRUST SOCIETY

Include Pike as a beneficiary in your will, retirement accounts (401k or IRA), life insurance policies, living trusts (Charitable Gift Annuity or Charitable Remainder Trust) or DAF (Donor Advised Fund).
