Alumnus mentors, student ambassadors, community leaders, benefactors, spouses, parents... these are the roles served by men of Pi Kappa Alpha. Each vital to the health of our organization. Each aiding in the betterment of our brotherhood.

As a donor to the Foundation, you play a significant part in Pi Kappa Alpha's success. Every program facilitated by the Fraternity is backed by donor dollars. Any need that arises has a safety net positioned by you. Every man that joins Pi Kappa Alpha can rest assured their personal and professional growth is your priority. Thank you for your faith in our mission and your trust in our abilities to empower principled leaders.

"We are honored by those who have invested in our brotherhood's most noble mission – to craft men of integrity, intellect, and high moral character and to foster a truly lifelong fraternal experience. I am frequently in awe of those brothers who desire to see this goal fulfilled with every young man who joins our noble order. Thank you for making PIKE a priority for your charitable dollars."

PIKE Foundation President

PIKE University Success

Prior to 2003, regional conferences were coordinated by the Fraternity's regional presidents. Convention, the Chapter President's Conference, and the Officers Leadership Academy were led by the Fraternity's professional staff. The Fraternity saw an opportunity to formalize these leadership and educational programs to exist under one umbrella, PIKE University. Since then, PIKE U has been the banner for all Fraternity educational and leadership programs. With 45,023 attendees since inception, PIKE University maintains its status as the premiere leadership development program in the fraternity world.

In 2018, 22 chapters received Pi Kappa Alpha's most coveted honor - the Smythe Award. These top chapters believe in the value of PIKE University, sending an average of 25 men to Leadership Summits, the Chapter Executives Conference, Convention and the Academy. In addition, over 75 percent of these elite chapters have the advantage of an endowed chapter fund through the PIKE Foundation.

Preserving our Legacy: Chapter Archives

The Chapter Executives Conference is hosted at the historic Peabody Hotel in Memphis, Tennessee. A highlight of the weekend includes a tour of the Memorial Headquarters. It's

an exciting time for our Fraternity as over 300 undergraduates roam the halls that tell our 151-year story. It was during this tour that Wesley Rosemont (Oregon, Gamma Pi '17) discovered his shared fraternity and family history.

While in the Harvey T. Newell Library, Wesley encountered Delta Alpha Chapter's (George Washington) history binder. Within its pages he found his grandfather, Dr. Ronald G. Latimer (George Washington, Delta Alpha '55) and was able to read about his PIKE experience.

"It was extremely emotional and powerful for me because I immediately felt more connected to my grandfather. Reading about him in his chapter's archive solidified why he is my role model. I was able to see the amazing things he accomplished while he served his chapter. I read how he held three positions when I originally thought he only served as the chapter president. Come to find out, he served as recruitment chairman and internal vice president. With every sentence, my sense of pride grew."

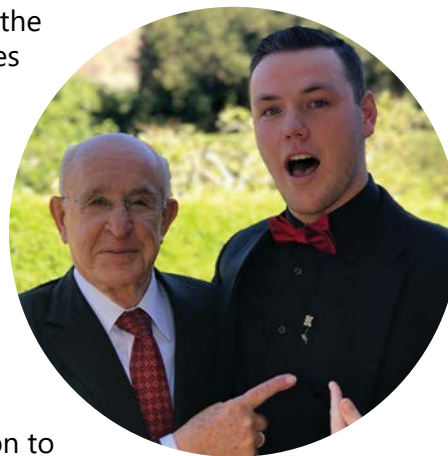

As he continued to read, Wesley was shocked to see the role Pi Kappa Alpha played between his grandfather and his grandmother, Bev Giss. He considers this passage the most memorable:

This year we are honored to have as our Dream Girl, Miss Bonnie Borden. She was crowned by Ron Latimer, who was fulfilling his final role as president of the chapter. Bonnie's court was composed of Bev Giss, Shirley Smith, Carol Wilson, and Betty Lacy. After the crowning took place, Latimer surprised everyone with a pinning as his last official act. He pinned his girlfriend, Bev Giss declaring he is dedicating his life to her.

In November 2018, after Wesley became president of Gamma Pi Chapter, his grandmother gifted him with that same pin.

"I was honored to see the beautiful pin, and I was even more honored when my grandfather asked if he could pin me. It was a moment I will cherish forever, and I am forever blessed to have a strong role model to look up to."

Wesley attended the Chapter Executives Conference expecting to learn how to be a better president to Gamma Pi Chapter. He returned to his chapter with that knowledge and a deeper connection to Pi Kappa Alpha and family.

Chapter Histories

In 2018, the Fraternity began a tremendous project to make individual chapter archives searchable – both physically within the Memorial Headquarters and digitally. This ongoing effort is vital to preserving details of our chapter histories. These histories include original petitions to charter, newsletters, and photos. There are also chapter archive boxes with meeting minutes, composites, and annual written histories. Long established chapters will find member roll books and bound minute books. These collections grow every year as the Fraternity receives new chapter memorabilia and operating reports.

Foundation Sponsored Leadership Lecture Series

We are pleased to share that our 2018 Leadership Lecture Series featured an exciting showcase of alumni achievement. These industry leaders shared their stories of success with their undergraduate brothers.

Partnerships & Celebrating Investors

Center on Addiction

In 2018, Pi Kappa Alpha announced a partnership with the Center on Addiction to help develop a productive dialog and acute awareness of the addiction epidemic that plagues many college campus communities and students. This partnership will allow PIKE to use its college footprint to help launch a campaign that aims to end the negative stigma on addiction.

The partnership was officially announced in May 2018 at the Center on Addiction's annual gala in New York City. Nearly two-dozen New York area benefactors attended on behalf of Pi Kappa Alpha with a grant made from the PIKE Foundation.

Returning to our Roots

Pi Kappa Alpha wrapped up a year-long celebration of its 150th anniversary with the 2018 International Convention in Richmond, Virginia. On the Friday of Convention, 500 students and alumni boarded buses for a tour of the University of Virginia grounds. The tour included a stop at 47 West Range (Pi Kappa Alpha's founding room) and the UVA Chapel where International Historian F. Anderson Morse (William & Mary, Gamma '76) taught attendees more about the background of our Founders.

A group of Foundation benefactors also experienced a tour of Thomas Jefferson's Monticello and an evening reception at the adjacent Montalto. This event was underwritten through the generosity of Mary and John Lisher (Indiana, Delta Xi '71).

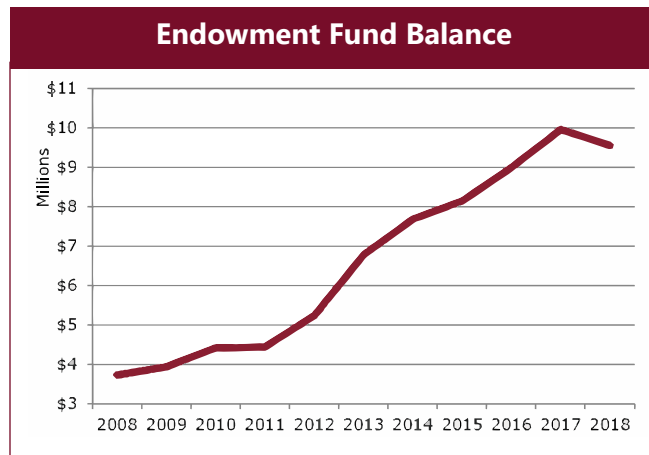

Financials

The Foundation continues its investment in grant programs that help advance the Fraternity's mission. For the third time in history, over \$1 million was granted in support of PIKE University, chapter programs, housing projects and student scholarships.

For the first time since 2011, the endowment did not see positive growth at the close of the year. New designated fund and chapter endowment fund contributions to the endowment exceeded \$880,000. The year-end downturn in value is directly tied to market performance of the fund, which saw a 9.1% decrease in Q4. However, this can be viewed as a short-term regression to the norm and the fund has rebounded into positive growth territory in the first half of 2019. Since 2008, the fund has grown by 150%.

Even with market challenges in late 2018, the Foundation still performed at a level consistent with trends found over the past five years. Cash contributions of \$2.2 million ranked three out of five and 2,070 donors ranked four of five.

President's Council

The President's Council had a record-setting year. A total of 92 new members joined in 2018 and the Foundation currently recognizes 440 alumni and friends with President's Council membership. In 2018, the President's Council produced over \$420,000 in support of critical initiatives. Total membership and dollars donated are high water marks for the program.

Real Estate

The PIKE Foundation proudly partners with chapter alumni, house corporations, and our undergraduates to help maintain and develop chapter housing. With nearly \$8 million in capital improvements last year, the Foundation received \$540,000 in donated funds through the Educational Facilities Grant program and awarded over \$1.15 million for qualified building expenses. This program, along with support from the International Fraternity, helps ensure that Pi Kappa Alpha maintains safe, market-relevant chapter houses where our members can live, learn and socialize.

- Estimated market value of \$159.8 million
- 135 chapters occupy some form of housing, 96 are owned by a housing corporation

REESMAN

LUSKIN

Robertson Most Outstanding Undergraduate Award

An Open Letter from Jon A. Reesman Sr. (Rhodes, Theta '86): An Alumnus and Parent

"When Jon started his freshman year at the University of Tennessee, there was no active PIKE chapter, having gone silent a few years earlier. He didn't go through formal recruitment, but he did informally check out a few fraternities. Jon didn't find any of them to be a good fit, so he spent his first two years immersed in his engineering studies and in Army ROTC, finding a community of likeminded future military leaders. Frankly, I was relieved that Jon didn't join a fraternity, partially because I wasn't familiar with Greek life at Tennessee, and partially because I was hopeful he would have the opportunity to be part of a future PIKE colonization there.

During spring break of his sophomore year, the subject of fraternity life at Tennessee came up, and I asked if he had heard of any efforts to restart the PIKE chapter there. When we contacted the International Fraternity, we were pleased to discover the colonization process was beginning that fall. When he returned in August, Jon was able to meet with the colonization team and was asked to join the effort. I was excited Jon would become my Fraternity brother, and he would have the chance to be part of an organization with a rich history by restarting a chapter.

Jon kept me updated with the details of his initial experiences with the colony and mentioned that he was interested in being part of the leadership team. I knew he would be a perfect candidate to be the colony president. His two years of leadership development in ROTC combined with his maturity and strong organizational skills made him a great choice. The expansion consultants agreed, and he was selected. He gave me regular updates on recruitment, chartering milestones, and leadership challenges he was facing.

My wife Louise and I attended the 2017 Founders Day banquet. I was highly impressed with the state of the colony and their alumni support. Jon was truly being mentored in his new role.

He continued to not only lead the colony but also began to develop the future leaders who would continue his work. Jon also got involved with the Interfraternity Council as the vice president of health and safety. He knew the delicate state of affairs within the university's Greek life system and believed a system of accountability needed to be put in place to help prevent alcohol abuse and hazing incidents.

Jon transitioned out of office just prior to the rechartering. I'm proud of my son for many reasons, beyond him following in my footsteps. I was overwhelmed when he was recognized with the Robertson Award, affirming all he accomplished in just two-and-a-half-years.

I think the opportunity to be a member of Pi Kappa Alpha will serve him well for life, giving him a brotherhood in addition to what he will experience while serving in uniform. The experience and confidence he gained while leading the colony are priceless. Attending PIKE U Leadership Summits and Convention were crucial for Jon, since he was very limited in organizational knowledge. These events helped him better understand the Fraternity, as well as the challenges and successes of its chapters. In addition, he was able to meet brothers from around the country and establish relationships.

When we made the call to the International Fraternity just three years ago, I could have never predicted how Jon would be shaped by the experience and how the future of Pi Kappa Alpha at the University of Tennessee would be impacted by his legacy."

Jon A. Reesman Jr. (Tennessee, Zeta '18) received the 2018 Robertson Most Outstanding Undergraduate Award at the International Convention in Richmond, Virginia. Brother Reesman is a founding father of the recently rechartered Zeta Chapter at the University of Tennessee. He graduated in December 2018 with a degree in computer engineering. Reesman served four years in the Army ROTC, Rocky Top Battalion, and twice received the Superior Cadet Award recognizing outstanding academic and extracurricular accomplishment. He served as the operations officer and was responsible for coordinating all training events for the ROTC programs at both the Knoxville and Chattanooga campuses.

After graduation Jon was commissioned as a second lieutenant in the US Army. He has already begun training as an infantry officer at Ft. Benning, Georgia at the Infantry Basic Officer Leader Course (IBOLC). He is expected to graduate in June and then attend Ranger School. Upon completion, he will be assigned to the 101st Airborne Division at Ft. Campbell, Kentucky where he will join his wife, Second Lieutenant Natasha Parowski.

Guide to Giving

Matching Gifts

Many companies offer matching gift programs to encourage employees to contribute to charitable organizations. Most of these programs match contributions dollar for dollar, and some will even double or triple the amount of your gift!

Stocks, Bonds, and Mutual Funds

Gifts of securities that have appreciated in value allow you to avoid capital gains taxes while receiving a tax deduction.

Estate and Planned Gifts

Exclusion from gross income for income tax purposes of up to \$100,000 (per IRA account owner) for "qualified charitable distributions". The distribution will count toward an individual's Required Minimum Distribution (RMD).

Scholarship Funds

Endowed at \$25,000, alumni have the opportunity to create their own scholarship funds or give to one that is already established.

Chapter Endowment Fund

Endowed at \$10,000 to provide your chapter with PIKE *University* tuition scholarships.

Annual Fund

Gifts that support the Fraternity's ever-changing needs and greatest priorities.

1868 Club

A giving club designed to recognize those who give a recurring monthly gift of \$18.68 to the annual fund.

President's Council

Premier giving society designed to recognize those who give \$1,000 or more annually.

Oak Trust

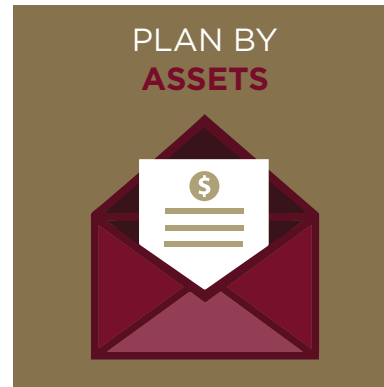

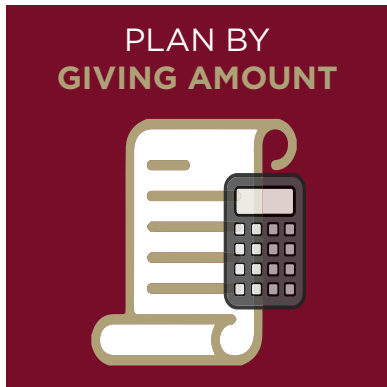

By planning wisely, you can support our future needs while personally benefitting your financial position today.

Oak Trust Continued...

Build your legacy through a planned gift that makes an impact after your lifetime via bequest, last testimonial, 401k beneficiary designation, life insurance; remainder & annuity trust giving. By planning wisely, you can support our future needs while personally benefiting your financial position today.

Visit our interactive planned giving page at oaktrustlegacy.pikes.org

The Pi Kappa Alpha Foundation is pleased to recognize alumni and friends who have included the Foundation in their estate plans as members of the Oak Trust. In very significant ways, Oak Trust members embrace the mission to educate and empower principled leaders. These alumni and friends are helping Pi Kappa Alpha, in perpetuity, to continue to provide a fraternal and collegiate experience founded on the principles of leadership, scholarship and citizenship.

If you have established a bequest, please let us know at PikeFoundation@pikes.org or 901-748-1948 so that we can welcome you as a member of the Oak Trust Society.
