

The Pi Kappa Alpha Fraternity

International Work Day

Work Day Awards

Overview

To encourage groups to hold successful Work Day events, with the involvement of both alumni and students, The Pi Kappa Alpha Fraternity recognizes chapters with the below Work Day Awards.

For your chapter to qualify for any awards, you must complete the *Work Day Completion Form* and submit it to realestate@pikes.org along with before, during, and after photos of your event no later than May 1 each year.

Available Awards

- ◆ **Alumni Participation Award.** Awarded to the chapter that has the most alumni participants.
- ◆ **Manpower Award.** Given to the chapter who spends the most man hours on their Work Day project. This calculation includes the hours of undergraduates, alumni, and guests.
- ◆ **Best Interior Project Award.** Recognizes the chapter that completes the best interior project.
- ◆ **Best Exterior Project Award.** Recognizes the chapter that completes the best exterior project.
- ◆ **Green Award.** Given to the chapter that completes the best green project. A “green” project means implementing measures and practices that lead to your house being more environmentally friendly. Examples of green projects include but are not limited to timed light switches, energy efficient appliances, energy saving lightbulbs, and more.
- ◆ **Best Overall Work Day Award.** Whether it be from one major project or a series of smaller ones, this award recognizes the chapter planned and executed the best overall event.
